## 3<sup>rd</sup> Annual Community Recognition Awards Dinner: A Black Tie Gala

### 2006 EVENT SPONSORSHIP PROPOSAL

Dear Supporter:

JBead Foundation, Inc. cordially invites you to partner with us as a sponsor of our Third Annual Community Recognition Awards Dinner: A Black Tie Gala at the Sheraton Hotel, Los Angeles, California, on **Friday, November 17, 2006**. You are being contacted to collaborate with a unique group of companies/corporations that sponsored our 2005 2<sup>nd</sup> Annual Dinner: City National Bank, Research and Policy Institute of California, and Synergy Mortgage Solutions: Working Together for You, and other community citizens who participated as individual donors. Our national supporter and community partner, *Black Enterprise Magazine*, would be delighted if you would join them as one of our 3<sup>rd</sup> Anniversary Dinner Sponsors at this momentous event in 2006.

UCLA Anderson School of Management – Riordan Programs, 1000 Churches Connected and Rainbow/PUSH-EXCEL are community partners who also shared our vision in 2005 and they will continue to participate in the 2006 3<sup>rd</sup> Annual Community Recognition Awards Dinner. We look forward to their continued participation for the 2006 3<sup>rd</sup> Annual Community Recognition Awards Dinner: A Black Tie Gala.

This participation opportunity will undoubtedly enhance your community awareness among various cultural groups, while expanding your presence and market strategy to underrepresented students from diverse backgrounds. Your company can participate at various levels, each with attractive benefits. (See enclosed Sponsorship Brochure). This year, JBead Foundation introduced the After School Youth Literacy Program. Interested funders should go to this link for program descriptions: [http://www.jbeadfoundation.com/programs\\_youth.html](http://www.jbeadfoundation.com/programs_youth.html)

This annual event is our most important gathering of citizens, corporations, business leaders, and educators to come together to share the agenda and examine the condition of higher education, while working towards equal access for young professionals who enter institutions of higher learning. This annual fundraiser dinner is given in support of our young professionals from diverse backgrounds, which provides funding for students who face financial barriers entering institutions of higher learning. We would like to see our sponsored students increase from 5 since its inception in 2003, to several thousand who matriculate through our program and enter a school of higher learning of their choice.

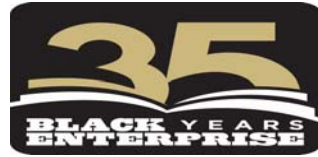

JBead Foundation, Inc., incorporated in 2003, is a 501© 3, non-profit organization. Our goal is to improve the quality of life for young professionals, while increasing access to higher education opportunity for citizens from diverse backgrounds in our communities.

After you have reviewed the enclosed brochure, we hope that you will accept our invitation and generously select a sponsor package.
