2. Urban Student Leader Institute (USLI)

Future Programs: The Urban Student Leader Institute (USLI). The USLI will be a unique opportunity for young people to acquire skills they need to survive in our economy. **USLI** programs are designed to enhance and encourage young urban future leader's skills and abilities across America and abroad. The **USLI** will track the **market** to match the need of industries in our economy and meet the demands of *Corporate America*. Each perspective young candidate will be asked to complete an **application** and write a 500-word **essay** for his or her

reason to participate in the USLI. The essay must include: **(1)** your future goals; **(2)** acquired skills ;**(3)** skills you want to develop and; **(4)** what you would like to implement to strengthen **JBead Foundation**. Each perspective candidate must also ask an **elder person** to write a letter of support (e.g. business professional, community leader, instructor/teacher, pastor/minister, city official, etc.) on their company letterhead to ensure they are committed to your future success and endorsement of

our program. USLI participants will be **male and female** as young as **age 15** years of age. Annual workshops are designed to provide hands on skills development for young people. Updates about USLI's progress will be included in each edition of *JBead FOCUS E-NEWS*. JBead foundation staff is currently seeking **sponsors and grant writing opportunities** to fund the USLI and other future programs. **Perspective Sponsors contact us @ jbeadfoundation@aol.com**

10. Business Profile

Many small businesses often live with the hope that if they build it, customers will come. But in today's economy, it takes a lot more than hope to get people to purchase your products or services. New business-building practices are a must if you want to expand.

Sometimes it's difficult to develop a clear-cut plan for growth. But many entrepreneurs get obsessed with creating the perfect plan. Or they never get around to putting one together. Crafting a plan is necessary, quick and effective and we can show you how to do it.

JBead Foundation partners with community web networks, and directs users

to our site. These consumers have an interest in our product or service. We assist you with developing a road map that will infuse new energy, enthusiasm and vision into your company's growth plans. We are very enthusiastic about offering this opportunity to the community we serve to post your business in this section. As a **Business Profile Member** of JBead Foundation you will enjoy several benefits with a one-time annual payment of **\$150.00**. Business Profile Member benefits include but not limited to the following: **(1)** Program Tribute listing, VIP invitation(s), preferred seating at our Annual Community Recognition Award Dinner; **(2)**

Invitations to special events with our corporate sponsors; **(3)** Quarterly partner notes newsletter and event listings; **(4)** Free online **FOCUS E-NEWS**; **(5)** Other benefits to be announced later. We want to enhance the best of your company through quality advertisement that will encourage visitors to view your business. Having access to the right people has proven to be a major task for building small businesses. We bring people together for the purpose of not only promoting themselves, but to also promote and support others in the network. We look forward to advertising your company business on our website. **Click to view our Business Profile Members ▼**
