

PBI Public Policy Internships

Fall & Winter 2006 Opportunities

Interested in making a difference in the community?

The Pat Brown Institute is seeking motivated and talented individuals who are interested in learning more about positively impacting community through public policy.

Through internship placements made in offices of City and County Government, California State Legislature, United States Congress, and Public Policy Research, you can gain:

- Experience in the political process
- On-site involvement in public policymaking
- Exposure to career opportunities in public service
- Community networking opportunities
- 3-month and 6-month paid internship placements

Criteria:

- Currently enrolled CSULA graduate or undergraduate student
- Open to all disciplines of study
- Minimum grade point average of 3.0 required
- Must be able to work up to 15 hours per week for full duration of placement

To Apply:

Complete an Internship Application Form from the Pat Brown Institute, Golden Eagle Room 215.
